ABOUT US

Founded: 2019

SS Buildcon was established in **2019** with a clear mission: to become the leading provider of ready-mix concrete and pre-cast products in the Vidarbha region.

Our commitment to excellence drives us to deliver unparalleled quality and service, addressing the diverse needs of the construction industry.

As we progress on our journey, we remain dedicated to relentless innovation and ensuring customer satisfaction, aiming to set new standards and establish ourselves as the undisputed leader in our field.

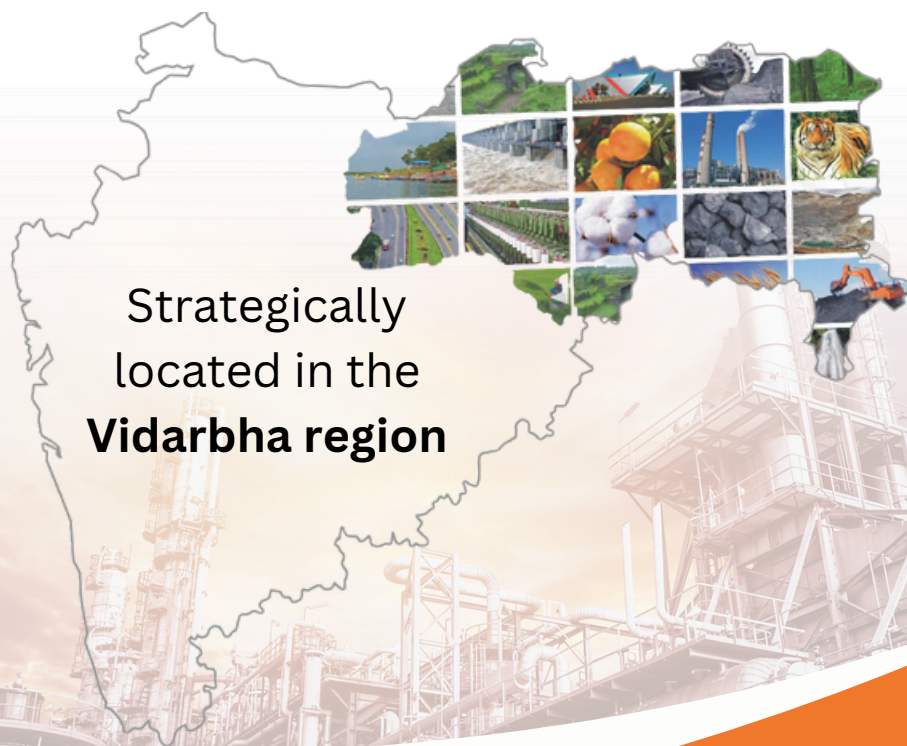

MILESTONES AND EXPANSION

Initial Launch and Growth:

- 2019: We inaugurated our first commercial batching plant, marking the beginning of our journey.
- Since then, we have experienced rapid expansion, now operating six RMC (Ready-Mix Concrete) batching plants and two hydraulic press manufacturing units. These facilities are strategically located across Nagpur city and its surrounding areas to serve our clients more effectively.

Engineering Division:

- 2021: A significant milestone was achieved with the launch of our Engineering division. This division has played a crucial role in managing and successfully completing a wide range of projects, including both private and governmental contracts throughout Nagpur.

Strategically
located in the
Vidarbha region

COMMITMENT TO QUALITY & INNOVATION

At SS Buildcon, our focus on excellence is unwavering. We strive to offer the highest quality products and services, ensuring that we meet and exceed the expectations of our clients.

Our dedication to innovation means that we are constantly seeking new ways to improve our processes and products, ensuring that we remain at the forefront of the industry.

CLIENT TRUST & INDUSTRY IMPACT

Building Strong Relationships:

Our expertise and commitment to quality have fostered rapid growth and garnered the trust of major players in the construction industry. Renowned land developers, industrial enterprises, builders, and both government and private contractors consistently choose us as their preferred supplier.

Reputation and Reliability:

With over seven years of dedicated service, we have cultivated strong relationships with more than 100 clients. Our track record includes the successful execution of over 200 projects to date, demonstrating our reliability and expertise in delivering on our promises.

KEY POINTS OF SS BUILDCON

- **Established Presence:** Since our founding in 2019, we have grown rapidly, establishing a strong presence in the Vidarbha region.
- **Comprehensive Infrastructure:** Our six RMC batching plants and two hydraulic press manufacturing units are strategically located to serve our clients efficiently.
- **Engineering Excellence:** The launch of our Engineering division has enabled us to handle complex projects and expand our service offerings.
- **Trusted Partner:** We are the preferred choice for major players in the construction industry, including land developers, industrial enterprises, builders, and contractors.
- **Proven Track Record:** With a portfolio of over 200 successfully completed projects, we have demonstrated our capability to deliver high-quality results.

OUR VISION FOR THE FUTURE

At **SS Buildcon**, our vision is firmly anchored in our core values of excellence, innovation, and customer satisfaction. As we move forward, we are dedicated to:

- **Setting New Industry Standards:** Continuously raising the bar in quality and service.
- **Expanding Our Reach:** Broadening our footprint to serve more clients across the Vidarbha region and beyond.
- **Enhancing Service Offerings:** Innovating and improving our product range to meet the dynamic needs of the construction industry.

Our ultimate goal is to remain the premier destination for ready-mix concrete and pre-cast products in the Vidarbha region, ensuring we consistently meet the evolving demands of the construction sector.

OUR MISSION FOR THE FUTURE

- **Enhance Quality:**

Prioritize superior quality through dedicated research and development efforts, specifically targeting the reduction of national waste.

- **Increase Capacity:**

Expand our Ready-Mixed Concrete (RMC) production capacity to 20 lakh cubic meters per year by 2030, meeting the growing demands of the market.

- **Strategic Expansion:**

By 2030, extend our operations across Western and Central India through strategic collaborations with government and private projects, thereby enhancing our Pan-India presence and contributing to the nation's infrastructure development on a broader scale.

OUR GUARANTEE OF EXCELLENCE

- **Customer Satisfaction:**

At SS Buildcon, ensuring customer satisfaction with our Ready-Mix Concrete (RMC) is our top priority. We are dedicated to consistently delivering high-quality services at fair prices.

- **Advanced Quality Control Labs:**

All our quality control labs are equipped with state-of-the-art technology and equipment. They are currently undergoing QCI certification to maintain top standards.

- **Expert Quality Control Staff:**

Our Quality Control staff are extensively trained and proficient in relevant IS codes. They hold certifications related to quality parameters and strictly adhere to all necessary quality practices.

- **Innovative R&D Activities:**

We conduct regular research and development activities focused on minimizing wastage, adopting environmentally friendly practices, reducing costs, and enhancing the strength and performance of our products.

LEADERSHIP & TEAM EXPERTISE

Experienced Leadership:

At the helm of SS Buildcon is Mr. Sanket Shah, who brings over a decade of invaluable experience in RMC and contracting.

Professional Team:

Our team comprises seasoned professionals, qualified engineers, concrete experts, and skilled workers.

Mr. Sanket Shah

Commitment to Excellence:

- The expertise and dedication of every team member are integral to our success.
- From top management to drivers, operators, technicians, and workers, each individual plays a crucial role.
- Superior Concrete Solutions:
- Through the collective efforts of our entire workforce and the use of cutting-edge technology, we consistently deliver superior concrete solutions.
- We are committed to exceeding our customers' expectations in every project.
